

Francesca Ghezzi

President of the Board of Directors of Terminali Italia s.r.l. since 2022

Professional Activities

Since 2010, she has been qualified as a Chartered Accountant and Accounting Expert and carries out her professional activity at the Bergamo office of the BNC firm.

She provides consulting and assistance in tax, accounting, administrative, corporate, restructuring and extraordinary transactions in general, with reference to SMEs and groups of companies of national and international importance.

She has experience in assisting in the drafting of consolidated financial statements of listed companies in accordance with international accounting standards.

She carries out statutory audits.

She currently holds the position of Statutory Auditor and President of the Board of Auditors for several companies.

Working in teams with other professionals, she assists as a financial advisor or certifier in the drafting of debt restructuring plans (Article 67 and Article 182-bis) and arrangements with creditors, both for continuity and liquidation.

Education and professional experience

2010. Entry in the Register of Auditors

2010. Entry in the Register of Chartered Accountants and Accounting Experts of Bergamo

2003. Degree in Economics and Commerce (Business Administration) from the University of Bergamo.

Miscellaneous

From 2007 to 2014, she was an Honorary Fellow at the Faculty of Economics of the University of Bergamo and collaborated in the teaching of Group Economics and Consolidated Financial Statements.

In order to keep up to date professionally, she has attended numerous refresher courses and seminars on tax (both national and international) and corporate issues, with particular reference to corporate finance, international accounting standards and extraordinary corporate reorganisation transactions and corporate groups, as well as bankruptcy, pre-bankruptcy and insolvency proceedings and debt restructuring negotiations.

She is a member of the Business Crisis Commission of the Association of Chartered Accountants of Bergamo
